**STIPULATION AND [PROPOSED]
ORDER FOR AN EXTENSION OF THE
SETTLEMENT CONFERENCE
DEADLINE**

Judge: William A. Alsup
Courtroom 8, 19th Floor

Case Filed: December 12, 2012
Trial Date: September 8, 2014

1 Pursuant to Civil Local Rules 6-2, 7-12, and related rules, Plaintiff Skynet Electronic Co.,
 2 Ltd. (“Skynet”) and Defendants Flextronics International, Ltd. (“Flextronics”) and Power
 3 Systems Technologies Ltd. (“Power Systems”) (collectively, “Defendants”) hereby stipulate
 4 through their respective counsel of record as follows:

5 1. Plaintiff Skynet filed this case on December 12, 2012. In its original Complaint,
 6 Skynet alleged that Defendants are infringing Skynet’s U.S. Patent 6,950,318 by manufacturing
 7 and selling three accused charger/adapters for handheld personal devices. Defendants deny that
 8 any of the charger/adapters infringe the ‘318 patent and otherwise contend that the ‘318 patent is
 9 invalid.

10 2. The initial case management conference in this case was held on March 7, 2013.
 11 On that same date, the Court issued its Case Management Order and Reference to Magistrate
 12 Judge for Mediation/Settlement. Among other things, in that Order the Court referred the case to
 13 Magistrate Judge Donna M. Ryu for a settlement conference and established September 3, 2013
 14 as the deadline within which the settlement conference had to take place.

15 3. Magistrate Judge Ryu subsequently ordered that the settlement conference take
 16 place on August 9, 2013.

17 4. Since the case management conference, the parties have diligently pursued
 18 written discovery with respect to, among other things, the three accused products. Various
 19 technical issues have hampered the pace both of the parties’ document productions and their
 20 review of the documents, however, including the fact that a substantial amount of the documents
 21 are in Chinese.

22 5. With leave of Court, Skynet filed its Second Amended Complaint on July 3, 2013.
 23 In its Second Amended Complaint, Skynet alleges that six more chargers/adapters manufactured
 24 and sold by Defendants infringe the ‘318 patent (the “newly accused products.”)

25 6. Discovery regarding the newly accused products is currently underway. In
 26 addition, Skynet is obligated to provide Defendants with infringement contentions regarding the
 27 newly accused products.

7. The parties' Settlement Conference Statements and Confidential Settlement Letters currently are due on July 30, 2013. For the reasons stated above, however, including the need to translate documents and to exchange information regarding the newly accused products, the parties are in need of additional time to properly evaluate their settlement positions.

8. Accordingly, the parties request that the deadline for the Settlement Conference be extended from September 3, 2013 to October 31, 2013.

9. The time for Defendants to respond to Skynet's Second Amended Complaint was previously extended from to July 17, 2013 to July 31, 2013. The time for Defendants to respond to Skynet's Amended Complaint was previously extended from January 7, 2013 to January 31, 2013. The deadline for filing requests for leave to file pleading amendments was previously modified from June 28, 2013 to August 27, 2013. There have been no other extensions of time in this matter.

10. No case management deadlines will be affected by this stipulation.
